## Chantal Line Carpentier

Chief, United Nations Conference on Trade and Development New York Office

Dr. Chantal Line Carpentier is head of trade, environment, climate change, and sustainable development of UNCTAD Division of International Trade and Commodities. Prior to 2014, as Major Groups Coordinator for the UN Department of Economic and Social Affairs (DESA) Division for Sustainable Development, she facilitated the engagement of and consultation with worldwide non-State actors (NGOs, women's groups, business, and industry, etc.) in the Sustainable Development Goals negotiations and the UN Rio+20 Conference. As Sustainable Development Officer for DESA (2007-2010), she served as the focal point for food security, sustainable agriculture and sustainable consumption and production.

## Garry Jacobs

President, World Academy of Art & Science

Garry Jacobs is President of the World Academy of Art & Science (since 2019), CEO (since 2012) and Chairman of the Board (2011-12). He heads HS4A, the Academy's global campaign project on Human Security for All in collaboration with the UN Trust Fund on Human Security. He is also chairman and CEO of the World University Consortium, a think tank promoting a transdisciplinary paradigm in higher education; president of The Mother's Service Society, an Indian social science research institute; Chairman, GIIMS Institute, India; and Full Member, Club of Rome. Jacobs is an American social scientist and international consultant on business, economy, education, multilateralism, sustainable development, peace and security.
